

Service Information

There are usually two services every Sunday at St Mary's Rydal

9.30am Eucharist CW - this service is fairly traditional in its style but includes often some Taize and Iona music

7pm Open Spirit - this service is much more reflective and free flowing in format, using mostly Iona and Taize music, as well as songs and music from other traditions from around the world including some composed in Rydal. The style is simple, music, prayer, candles and silence.

Services sometimes vary so please do look at for any changes in the Notices and Diary sections.
